

News From Kathie McClanahan, Vice President of TSNA

Conference is coming June 10-13, 2008

Be in Chattanooga or BE SQUARE

On Tuesday night start planning to be “Under the Big Top”. For the opening session the theme will be “Under the Big Top” and to add to the excitement I want everyone to dress up like they are part of the circus. You choose which part of the circus best fits you. It will be lots of fun! After the opening ceremonies there will be a talent show for serious and FUN talent. Get ready to entertain your friends with your talent or your not so talent. The talent entry form is available on the web site, too. Start planning now for a fun and very educational week. More info will be available soon about the conference.
